**Attachments:** IMG\_7555.JPG; IMG\_7556.JPG

Hello Ron,  
Please save this to SEMS for Smokey Mountain Smelters.  
Thank you,  
Scott

**Subject:** SMS Site Visit

I was at the Smokey Mountain Smelters Site this morning and observed water in the seep area below the cap. Most of the times I have visited recently, the seep has been dry. See the attached photos.
